ICAR MIRABEL

THE ULTIMATE MOTORSPORTS COMPLEX

Located in Mirabel, ICAR is an ultra modern multi disciplinary motorsport complex. Participants and spectators will enjoy our new resto-bar with a stunning view on our playground. Composed of 16 challenging turns, our circuit is designed by professional race drivers and is accredited both by the FIA and ASN. More than a simple race track, ICAR is the playground for adrenaline seekers and adventurers looking for intense sensations. Our mission is to provide our guests with an unforgettable experience.

Our state of the art road course was designed by Julien Jousse (2x french racing 24 hrs Du Mans champion) and Elie Arseneau (Professional NASCAR driver). It was specially designed for the high performance vehicles available at ICAR. The 3,4 Km track has 16 turns and features a 400 meters straight where you really get to experience what a supercar can do at speeds well above what's legal on any road in Canada.
